

Happiness

Before long, her plays became something of a sensation, she took on a wider range of roles, and then when she was selected as the heroine of a certain movie, she discovered that she was pregnant with me...

When Mom was young, the troupe she belonged to was really small and had no money. And yet it seems that every day she gave it her all, both while working and while rehearsing.

My mother gave up that brilliant world to give birth to me.

LOVE?

AAAAH

REALLY?

BUT...
YOU
KNOW...
THINGS
HAPPENED...

H—
HEY, I ALSO
INTENDED
TO JOIN AT
FIRST, OKAY?

IT'S FINE,
YOU DON'T
HAVE TO
HIDE IT.

WHETHER IT'S
LOVE, OR CLUB
ACTIVITIES, OR
EVEN FRIENDSHIP,
IT'S FINE AS LONG
AS YOU HAVE
SOMETHING THAT
YOU CAN REALLY
THROW YOURSELF
INTO.

Don't be
ridiculous
!!!

D—

BECAUSE NOZOMI,
WHAT'S IMPORTANT
IN LIFE IS FOR YOU
TO EXPERIENCE
PLENTY OF THINGS
THAT YOU CAN BE
GRATEFUL FOR, OR
THAT MOVE YOU
DEEPLY.

My
mother
was
beautiful.

"Because you
were with
me, Nazomi,
they passed
in the blink
of an eye."

"Only ten
years," my
mother said
with a laugh.

Ten years
later, and my
mother was
once again
running at
the top.

But Mom
started
from
square one
without any
hesitation.

There was
no longer
any place
left for
her there.

Three years
after I was
born, Mom
returned to
the world she
had left.

THE SHOW
WILL START
SHORTLY.
PLEASE TURN
OFF ALL
MOBILE...

See you...

I didn't think I would end up drawing this much.
It's the "Red Sailor Uniform" series,
but this time everything was put together in one volume.

All of the different characters were connected in my head, but
I guess I didn't really show all of those connections... with that in mind,
I was allowed to elaborate on those ties for this collected volume.

The chronology keeps jumping forward and backward.
I thought that when everything was gathered in one volume
I would fix the order,
but when I re-read it, I thought
"I guess the order it was published in fits best,"
so I left them in the order they came out as doujinshi.

Tuffle Nature! Thyme Orange...

I drew them around Valentine's, so they have chocolate titles.

SWEET x ACID... A work about the sweetness and sourness of youth.

GF! HANDS... GF is an abbreviation of "good faith", and HANDS comes from
the initials of Hanabaka and Sonohara, in other words "H and S"...

1/3! 2/3! 3/3... Meaning "Year X of the 3 school years."
For example, in 1/3 they are first years.

Thank you very much for everybody who read this far!
I am a happy person.
And I hope that I can share this happiness with everyone out there...
